Re: Public Water System – Albee Water Association NE3120064 County – Keith Permit Issuance – **Transient Non-Community Water Supply System**

Dear Palmieri:

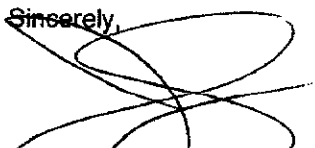

The Department has received an application for a Permit to Operate a Public Water Supply System for Albee Water Association in Keith County, Nebraska. After a review of this application, this system has been found to be in substantial compliance with Nebraska's Regulations Governing Public Water Supply, Title 179. As such, the Nebraska Drinking Water Program is pleased to issue permit number NE3120064 to the Albee Water Association Drinking Water System.

Under current regulations, this permit is issued for an indefinite period of time and is subject only to continued compliance with the following regulations:

- 1. This Permit to Operate a Public Water Supply System is null and void if the information displayed on it is not completely accurate.*
- 2. This permit is not transferable.*
- 3. If this public water supply system is sold, it is the seller's responsibility to notify the buyer of the requirements to have a permit, a Grade V Certified Water Operator or higher, and to otherwise be in compliance with Title 179.*
- 4. If the system is sold or has a name change, a new permit with the correct information must be obtained.*

If we can be of further assistance please contact Lucia Dutkiewicz at 402-471-2713, or your Field Services Representative. The Field Services Representative in your area is Tony Martinez, he can be reached at 308-530-4651.

Sincerely,
